## Adopt a Team Program

Ryerson Sports and Recreation has developed this program to provide financial assistance for its interuniversity sports programs

- Financial assistance is the key to the continuation of sport excellence at Ryerson by assisting today's motivated and talented student-athletes and by enhancing their experience from first year through their graduating year.
- The program provides an avenue for alumni, donors, friends and family who wish to be involved in the lives of our diligent student-athletes.
- It also provides a link for the Ryerson players and coaches to the broader community.

## Why should I adopt a team?

- The cost of a post secondary education has increased. Being a student-athlete requires a significant amount of dedication both to academics and athletics. Most student-athletes suffer the financial strain of not being able to carry a part time job which makes it difficult for them to meet the expenses associated with playing competitive sports.
- By adopting a team you will be supporting the future leaders of our community.

## Is my support tax deductible?

- Your financial support is totally tax deductible. You will receive a tax receipt for the total amount of your gifts of \$20.00 or more.

## What is an appropriate donation?

- Most Adopt a Team donations range from \$100.00 to \$300.00.

## How will my donation be used?

- Schedule enhancement—exhibition tournaments and out-of-conference competitions
- Academic support programs
- Subsidize travel expenses
- Upgrade equipment inventories or provide footwear allowances
- Special purchases for injury prevention, ie: specialty braces
